

Did you know that play time improves your child's social skills & imagination, increases attention span, and encourages language building / reading skills?

Come join us for open gym / playtime on the days shown below!!

You can bring your friends to spend time swinging on the bars like a monkey, jumping like a kangaroo on the trampoline and just have fun playing with all of our child appropriate equipment.

There's nothing greater than a child holding your hand and saying,
"Come play with me!"

Mondays from 12:15-1:15

Saturdays from 1:30-2:30

\$5 per member

\$7 per non-member
