XCEL GOLD-SAPPHIRE REGIONAL ENTRY INSTRUCTIONS *You must enter and pay before leaving the state meet!*

Meet Entry:

- Please complete your registration online through the USA Gymnastics Reservation system.
- Enter all qualifying athletes.
- Enter only coaches that will be actively coaching at the competition. Credentialed coaches per level are limited to:
 - 3 Coaches for up to 4 athletes
 - 4 Coaches for up to 9 athletes
 - Please contact the RACC for special circumstances.
- Be sure that you process your entry completely. If your entry is submitted correctly, you will be able to see the entry when you click on “Meet Reservations” on the menu to the left.
- Print your entry by right clicking on the screen and choosing “Print Page.”

Payment Information:

- The entry fee is \$100/athlete. IES athletes pay the full fee. Remember to include payments for petitioning athletes.
- Payment Option #1:
 - One business check per club made payable to Region 5 USA Gymnastics.
- Payment Option #2:
 - Pay with a credit card by using this link: <https://square.link/u/4QFAtn5p> or by scanning the QR code. Fees apply.
 - Please enter the team name and state in the “add a note for the seller” field.
 - Please screenshot or print a copy of your CC payment.

Final Step:

- Take the copy of your entry and your check or proof of CC payment to the state meet director before leaving the competition.

Refunds:

- Refunds will be honored through April 21, 2025.

STATE TEAM INFORMATION

State Team competitions are held in each age group for the following levels/divisions: Level 6, Level 7, Level 8, Gold, Platinum, Diamond, and Sapphire.

Each state team is made up of the top 8 highest scoring gymnasts based on their state meet all around scores. Once every state hold their state meets, the scores for all regional qualifiers are sent to Region 5. Once we have all results from all states, we will determine the age groups that will be used for the regional championships. Based on those regional championships age groups, we will then determine the 8 gymnasts that will make up the state team for each level/division at each age group. The top 4 scores on each event will count toward the team score. States that don't have a full team will still participate in the state team competition as long as they have at least 4 gymnasts.

Please note that regional championships age groups and state meet age groups are different.

Ties in the all around will be broken using the tie breaking procedures in the Women's Rules & Policies to determine team members. Gymnasts that petition to regional championships are not eligible to be named to the state team.

If you have a gymnast that is on a state team and she scratches, she will be replaced with the next athlete. Replacements will be made up to the start of the session. Once timed warm ups begin for flight A, no replacements will be made. Please notify the meet director immediately of any state team member scratches so that the replacement gymnast can be notified.

We make an effort to group state team members together in squads, while keeping them with their teams. This is done to allow coaches to more effectively coach their teams. State team gymnasts will be recognized during the grand march in.

The gymnasts that make up the winning state team in each age group for each level/division will receive a plaque as a team award.

A "Super Team" competition will be held for each level/division. Points will be awarded as follows:

1st place team = 5 points
2nd place team = 4 points
3rd place team = 3 points
4th place team = 2 points
5th place team = 1 point

The state with the highest point total in each level/division will be the Super Team winner. Super Team point totals will be displayed at the competition and will be announced during the competitions.
